

Foundation for Pluralism

Studies in Religious Pluralism and Pluralistic societies

The Foundation for Pluralism is pleased to appreciate and recognize

Jeff Weiss

for the outstanding approach he has taken in the Religion section and Blog of Dallas Morning News. He has applied the principles of criticism, or singling out errors or heaping praises on all faiths equally. His law states "Every religion is crazy, by definition to a non-believer."

*We hereby confer the title of Pluralist to Jeff Weiss,
on this Unity Day USA, Sunday, September 9, 2007*
